

Dear Parents,

As always June is a very exciting time for learning in school and this year it has been no exception.

Our Reception children have been exploring the wonderful variety of life in the world enjoying a visit to Thrigby Hall.

Year 1 children have been exploring Carlton Marshes in search of mini-beasts, as well as getting into history and finding out about pirates.

The visit to Africa Alive enabled our children in Year 2 to reinforce their knowledge of animals from the African continent, as well as a successful transition day into Year 3.

We have also once again enjoyed the opportunity to welcome new parents to the school during new Reception Welcome evening.

We continue to look forward to exciting opportunities in the coming weeks. Highlights we hope will include:

Sports enrichment day, Year 1 visiting Time and Tide Museum on a Pirate Day, as well as all year groups taking the opportunity to make the most of learning through visits to our local wonderful beach. Next stop...end of the year!

# Cliff Park Infant News

## June 2019

### End of the day...

So that we can work to keep everyone safe please ensure that scooters are not used on the playground at any time.

The trim trail and train area should not be used after school by our children or their siblings.

### Sports Enrichment activities:

We will continue our sports theme this week with enrichment activities taking place on Friday 5th July led by coaches from Premier Education and GoGoGeronimo.

Reception children will have the opportunity to be involved in “Mini-Groovers” sessions during the morning.

Children in Year 1 and 2 will have the chance to experience Balance-ability and Archery skills through sessions taking place during the morning.

### Library and Reading Books

School will not be issuing new library or reading books from Monday 8th July onwards. This will enable you to have time to finish enjoying current books with the children and return them to school over the following days. Staff will then be able to carry out a stock check and prepare the library for the coming academic year.

Please help us by having a good check at home for any books still unreturned.

### Whole School Values

The value for focus in school for July is: **Courage**

### Changes to staffing

As we draw to the end of the current academic year we say goodbye to a number of staff.

Our thanks go to Mrs Mitchell who, as you know, is leaving us after fulfilling her role as Deputy, Headteacher and Executive Headteacher over a number of years.

Thanks also go to Mrs Ikidde who is retiring after giving long service to our school, and to Mrs Watson our SENCo who is taking up a new post in Lowestoft.

We wish all our leavers success in their next challenges.

We welcome Miss Lancaster to our Year 1 teaching team.
